

APPEAL NO. 021386
FILED JULY 3, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on May 1, 2002. The hearing officer determined that the _____, compensable injury of appellant (claimant) did not extend to lumbar spondylosis and spondylolisthesis, and an injury to the left wrist, left arm, and left leg. The hearing officer also determined that claimant did not have disability after September 7, 2001. Claimant appealed these determinations on sufficiency grounds. Respondent self-insured (carrier herein) responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
